

**THORNEY ISLAND  
COMMUNITY  
PRIMARY SCHOOL**

**HOME-SCHOOL  
AGREEMENT**

**At Thorney Island CP School we believe that it is vitally important for parents, teachers and children to work together to provide the best learning opportunities we can for everyone involved with the school.**

**The school aims to:**

1. Provide a safe, well ordered, stimulating and caring environment.
2. Help children develop a sense of responsibility and be considerate to others.
3. Encourage children to do their best in all aspects of school life.
4. Encourage children to acquire knowledge and skills by providing a broad and balanced curriculum.
5. Inform parents regularly of school matters and, in particular, about their child's progress.
6. Provide relevant homework when considered appropriate and beneficial.
7. Be welcoming at all times and offer parents the opportunity to become involved in the life and work of the school.

**The school would appreciate parents doing their best to:**

1. Help their child to take an interest in his/her work and celebrate their achievements.
2. Make sure their child attends regularly and provide a note of explanation on the child's return from absence.
3. Make sure their child arrives at school punctually and is collected on time if appropriate.
4. Participate in discussions regarding their child's progress and attitude, both at Parents' Evenings and at other times if necessary.
5. Make sure their child wears school uniform and has PE kit available.
6. Support their child with his/her homework activities.
7. Support their school's policies and guidelines for behaviour.
8. Inform the school of any matters which might affect their child's work or behaviour.

Each child will aim to do his/her best to keep to the school's principles of behaviour.

These are:

- Always try to do our best and work our hardest.
- Always treat other people kindly and politely.
- Always walk about the school quietly and thoughtfully.
- Always play sensibly and carefully.
- Always do as we are asked by a teacher or supervisor.
- Always think about what we do and say. Together we

hope we can:

- support the needs of every child;
- encourage children to develop responsibility;
- promote a learning community that helps each child achieve as near to his/her potential as possible.
